(designed to fit 'normal size range')
(55 - 62cm)

PACKAGING: Individual polybag

Per Case : 50

COLOURS AVAILABLE: White/Yellow/
Blue/Orange/Green

NOTE: Industrial safety helmets are intended primarily to protect the upper part of the wearer's head against injury from falling objects (and consequential brain injury and skull fracture). They are not intended to protect against molten metal splash or to offer electrical insulation. DO NOT MODIFY.

Red No Longer Available

Technical Details

These products are classed as Personal Protective Equipment (PPE) under the EU Directive 89/686/EEC **EN 397:2012+A1:2012** "Specification for industrial safety helmets".

EC type examination(s) carried out by: BSI, Kitemark Court, Davy Avenue, Knowlhill, Milton Keynes, MK5 8PP - Notified Body: 0086

Instructions for use:

- Install the suspension to the helmet by inserting the 4/6 suspension hanger keys to the 4/6 key slots of the helmet. (Detailed assembly instructions are printed on the polybag) If the chin strap is used, insert the hooks into the two chin strap attachment holes on the side of the helmet.
- This is a one size helmet and should be adjusted to fit by moving the pin to the appropriate ratchet hole at the nape of the neck.
- If the chin strap is used, adjust the buckle until the helmet feels comfortable and snug to the head.

Additional Information:

- **Cleaning:** Clean with mild detergent. Do NOT use paints, solvents, chemicals, adhesives, petrol or similar substances on this helmet
- **Disinfection:** The parts of this product in contact with the skin should be disinfected periodically (at least every 3 months) with a suitable disinfectant solution.
- **Storage:** Always store in clean, dry conditions and contain within the poly bag/box provided. Do not store in places subject to direct, strong sunlight or in contact with solvents.
- **Damage:** This product should be carefully inspected before use and discarded if damaged in anyway whatsoever.
- **Chemicals:** Certain chemicals may have a detrimental effect on contact with this product. If in doubt please check with your supplier.
- **Material Declaration:** No parts of the helmet which are in contact with the wearer are made from materials known to cause skin irritation.
