

The versatile and easy-to-use mobile work platform from Armorgard

The TuffBench™ heavy-duty folding work platform is a versatile workbench designed for contractors on the move and for use on construction sites. Its quick and easy assembly system – with no detachable parts – makes it easy to transport and store. When it's time to move on, simply collapse the platform, fold the legs and you're ready to go! Durable and built to last, the surface is manufactured from sustainable pressed timber.
